RITU BAHRI, J. (Oral)

This order shall dispose of **CWP No.12594-2018** and **CWP No.13273-2018**.

The petitioner is seeking quashing of the Notice dated 22.03.2018 (Annexure P-2) whereby petitioners were called for the Stenography test for various posts as per Advertisement No.12/2015 and the test was carried out without following the standard practice of Stenography test which is followed by various recruitment agency including the High Court.

On 17.05.2018, when notice of motion was issued, it was observed that the stenography test was not conducted in an appropriate manner as dictation was not audible and sound system was improper and there was interference of ambient sound. The audio clip was in British accent, whereas it

was required to be in Indian accent.

When the case was taken up today, Mr. B.R. Mahajan, A.G. Haryana states that declaration of final result was stayed, however, all the candidates who have failed in the Stenography test will be given one more opportunity to qualify the same and test will be conducted after taking into consideration all the complaints and new date will be notified on the website for the Stenography test. Pursuant to the advertisement dated 10.12.2015 (Anneuxre P-1) all the petitioners and other candidates, who have failed in the Stenography test can appear again.

After the test is concluded, further steps for conducting interview for the final selection shall be done.
