CM-6976-CWP-2018

Present application is for placing on record the replication to the written statement.

The application is allowed and replication to the written statement is taken on record.

Main case:

In the present writ petition, the petitioner is challenging Annexure P-7 dated 28.08.2015 by which the petitioner was ordered to be relieved from service w.e.f. 31.08.2015 on attaining the age of superannuation keeping in view the change in the date of birth by treating him to be born on 16.08.1958.

While issuing notice of motion, the operation of the order relieving the petitioner from service was stayed and the petitioner continued

in service.

Counsel for the petitioner states that keeping in view the date of birth of the petitioner as 16.08.1958, the petitioner attained the age of superannuation in August 2018, he has already retired from service and he is being paid pension after his retirement.

Keeping in view the above circumstances, nothing survives in the present writ petition as the petitioner has already retired keeping in view his date of birth as 16.08.1958, and therefore, no further orders are required to be passed in the present writ petition. However, in case, the petitioner is aggrieved of any action subsequent to his retirement, the petitioner will be at liberty to approach this Court for the redressal of his grievance in case need so arises.

The present writ petition stands disposed of in the above terms.
