The grievance of the petitioners in the present petition is that without any acquisition proceedings the old construction is likely to be demolished.

Admittedly, land of the petitioners has not been acquired and objections were raised by the petitioners in writing. The petitioners are apprehending that their building is likely to be demolished by the respondent-authorities. No direction can be issued in the absence of any document as neither any specific averment has been made nor anything is there that the constructed area is going to be demolished or the petitioners are being threatened by the respondent-authorities.

The petitioners are at liberty make representation to the concerned authorities. In case such a representation is made within two days, the same be considered by the respondent-authorities in accordance with law and they be given personal hearing if necessary.

The petition stands disposed of.
