AT CHANDIGARH**

CR No.4906 of 2019

Date of Decision : 20.08.2019

Smt. Rekha Mehta and others

.....Petitioners

Versus

Motor Accident Claims Tribunal, Ludhiana and others

.....Respondents

CORAM : HON'BLE MR. JUSTICE SUDIP AHLUWALIA

Present : Mr. Ashwani Arora, Advocate
for the petitioners.

SUDIP AHLUWALIA, J. (ORAL)

By way of this Revision Petition, the Petitioners, who are the Claimants in the proceedings arising out of Motor Accident Claim Case CIS Registration No.315 of 2014 dated 28th October, 2015, seek a direction upon the Ld. Tribunal to comply with an earlier order passed by this Court on 19th February, 2018 in FAO No.7775 of 2017 (Annexure AX).

2. Grievance of the Petitioners is that more than one and a half years have passed but payment of compensation in compliance of the aforesaid order of this Court has not been made in their favour till date. This Court has gone through the *Zimni* Orders passed by the Ld. Tribunal starting from 4th May, 2019. Proceedings have been continuing all along and the matter has been deferred by and large

because “calculation has not been made completely by the parties”. In this manner, more than thirty dates have gone while Claim of the Petitioners has remained unsatisfied notwithstanding that even Appeal against the original Award was disposed off more than one and a half years ago. It is seen that on 3rd August, 2019, the Ld. Court below had adjourned the matter to 22nd August, 2019 *“for consideration regarding the payment of final amount on calculation by the parties”*.

3. Considering the above submission and the undue delay which has already occurred by now, the Revision Petition is disposed off with a direction upon the Ld. Court below to endeavour to complete the proceedings pending before it on the next date itself, and if, for any reason, not practicable to do so, then within thirty days from the date of communication of this order.
