Present: Mr. BS Khurana, Advocate
for the petitioner.

Mr. Ankur Mittal, Additional A.G., Haryana.

Mr. Deepak Sabharwal, Advocate
for HUDA.

MAHESH GROVER, J. (Oral)

The petitioner was allotted a plot on 16.09.2013 and according to the terms 15% of the amount had to be deposited within a period of 30 days, which was never done. For the first time the petitioner made an application on 13.01.2015, which was not accepted by the respondents.

In the present petition aforesaid facts are not disputed.

We are thus of the opinion that since the petitioner never deposited 15% of the amount as per terms of the allotment, she would have no claim against the respondents. Petitioner's insistence upon the allotment cannot be allowed particularly when the claim was raised belatedly in the
