The claimant is in appeal seeking enhancement of compensation on account of injuries sustained in a motor vehicular accident that took place on 01.01.2016.

The Tribunal awarded Rs.33,050/-, detailed in para 25 of the award.

Counsel for the appellant would argue that he has filed C.M. No.10961 CII of 2019 seeking permission to place on record copy of medico legal report Annexure A-I, marked as Ex. P2 before the Tribunal. It is further submitted that in order dated 07.02.2019 passed by this Court, there is reference to document Ex.P4 but actually that document is marked as Ex.P2. Counsel for the appellant has read over to the Court injuries sustained by the victim *i.e. multiple reddish abrasion 2x0.25cm to 6x0.25*

*cm over both side of face adv. X-ray skull and surgeon opinion.* He has failed to point out any material on record that either the victim has got conducted x-ray of skull or any fracture was found on his face much less skull. Taking into consideration the nature of injuries sustained, I do not find any reason to allow additional compensation as the claimant has been adequately compensated by the Tribunal.

For the foregoing reasons, finding no merit, the appeal fails and is accordingly dismissed, leaving the parties to bear their own costs.
