This is an application seeking review of order dated 10.09.2019 passed by this court. Learned counsel for the applicant submits that the fact that in FIR dated 29<sup>th</sup> September, 2015, which was registered against the respondent-husband at the behest of appellant-wife in which he has to seek regular bail and earned acquittal is totally wrong. In fact respondent-husband is still facing trial in the said case. By giving wrong impression about the factual scenario, the respondent-husband persuaded the court to pass the impugned order.

Heard.

On due consideration of the matter, we find no ground to review the order dated 10.09.2019. The factum of acquittal of respondent has no bearing in the present case. There are other material factors also which we have taken into consideration and findings have been recorded. All points raised by applicant in the main petition have already been dealt elaborately in the said order.

In view of above, no case for review of order dated 10.09.2019 is made out. Dismissed.
