For the reasons mentioned in the application, the same is allowed and the delay of 19 days in filing of the appeal is condoned.

Main Case

The present appeal is filed against the award dated 02.07.2019, passed by the Motor Accident Claims Tribunal, Faridabad (for short, the Tribunal) on the ground that the income of the deceased assessed @ Rs.9,000/- per month by the Tribunal is on excessive side.

The incident is of the year 2018. No such argument is forthcoming which may enable this Court to assess income of the deceased less than Rs.9,000/- per month as already assessed when minimum wages are also stated to be was Rs.9,000/- per month at that point of time when accident occurred.

No ground is made out to interfere in the award dated 02.07.2019, passed by the Tribunal.

Dismissed accordingly.
