Heard.

Petitioners have submitted a tender for videography in examination for Haryana Teachers' Eligibility Test. The grouse of petitioners is that earlier when tenders were floated, conditions No. 2, 4, 5 were there, specifying the requirements which have now been changed to give benefit respondent No. 3. The last date for submission of tender was 18.12.2018. The exam of Haryana Teachers' Eligibility Test is to held on 5.1.2019. The grouse of petitioners is that conditions have altered to favour respondent No. 3. It is not disputed that tender has not been allotted to respondent No. 3 so far. Before allocation of work, respondent can always change terms and conditions of tender. If petitioners are aggrieved of the fact that same has been done to favour respondent No. 3, they can challenge the same only if work is allotted to respondent No. 3. It being so, petition is premature at this stage and is disposed of as such.
