CORAM: HON'BLE MR. JUSTICE ANIL KSHETARPAL

for the appellant

CRM-43981-2018

For the reasons stated in the application, delay of 554 days in filing the present appeal is hereby condoned. CRM stands disposed of.

Main case

Heard learned counsel for the appellant at length. In this case there are no allegations/averments that the respondent is/was involved in determination of sex of foetus. The only case against the respondent is that out of 600 forms (F) some procedural violations have been found in 15. The Court has noticed that there is only one clinic which is authorized to conduct ultrasonography in the area of Tosham. Therefore, the respondent is over burdened. The minor errors/omissions with regard to filling of form (F) are in the nature of omission to write mobile number of patients or getting the thumb impression attested or the name of the patients have not been mentioned in each and every column of the form, although it has been specifically mentioned at one place.

Keeping in view the facts of the case, this Court is not inclined to interfere in the judgment of acquittal passed by the learned Trial Court.

Dismissed.
