Instant petition has been filed under Article 227 of the Constitution of India for issuance of direction to the Executing Court to decide the execution petition within a fixed time frame.

Learned counsel for the petitioner contends that the petitioner would be satisfied if a direction is issued to the Executing Court to decide the execution petition filed by the petitioner within a stipulated time period.

Keeping in view the limited prayer made by the petitioner, the present petition is disposed of with a direction to the Executing Court to decide the execution petition preferably within a period of six months.
