ORDER

%

06.02.2019

Further to the previous order, the records considered by the Designated Authority (DA) were produced in Court; the records include the Verification Report carried out by the DA.

The petitioners had complained that this verification was not part of the record. The exporter's Verification Report is part of the record along with the details of verification carried out in the premises of the petitioners between 10th and 12th September 2018.

Learned counsel for the DA submits, on instructions, that a copy of the Verification Report will be furnished to the petitioners. Learned senior counsel for the petitioners submits that, besides, there are other grounds (dealing *inter alia* with the issue of confidentiality and the DA's failure to deal with its submission) which it would agitate through representation to the Central Government, seeking its intervention and appropriate action.

The respondents shall furnish a copy of the Verification Report within a week to the petitioners' counsel. It is open to the petitioners to represent to the Central Government in a suitable manner for appropriate directions in accordance with law.

Learned senior counsel for the petitioners seeks liberty to withdraw these petitions in the light of these submissions. The writ petitions are accordingly dismissed as withdrawn along with the pending applications.
