ORDER

% **05.02.2019**

Petitioner seeks interim bail in FIR No. 2288/2014 under Sections 302/120B/34 of IPC r/w section 25/27 of Arms Act registered at police station Shakarpur, Delhi.

Learned Additional Public Prosecutor for respondent-State submits that petitioner is facing trial in another murder case also and the gravity of the offence can be gauged from the fact that he had committed this murder while he was on bail in another murder case. The status report was called to verify about the medical certificate filed along with this application.

Petitioner seeks interim bail as his wife is suffering from ‘*Pilonidol Sinus Disc Protusion*’ and was advised operation on 25th January, 2019. It is informed now that the said operation has been postponed to 13th February, 2019. Learned Additional Public Prosecutor has handed over a copy of the status report which reveals that petitioner has three brothers and three brothers-in-law i.e. brothers of his wife who can take care of petitioner’s wife.

Considering the gravity of the offence and the fact that there are three brothers of petitioner’s wife who can take care of his wife, I find no justification to grant interim bail to petitioner to get his wife operated.

Accordingly, this bail application is dismissed, while not commenting on the merits of the case.
