W.P.(C) 1245/2019

Apart from the fact that the issue canvassed in this writ petition may not come within the purview of public interest litigation under Article 226 of the Constitution of India, learned counsel appearing for the respondents invites our attention to page 10 para 6 wherein we find that an action has already been taken for removal of illegal/unauthorised constructions.

Apart from the aforesaid, in view of the law laid down by the Hon'ble Supreme Court in *Writ Petition(s) (Civil) No(s). 4677/1985 M.C. Mehta v. Union of India & Ors.*, the petitioner may approach Special Task Force for removal of unauthorised construction.

Taking note of the totality of the circumstances, we see no reason to make any indulgence into the matter, the writ petition is disposed of.
