CM APPL. 5263/2020

The learned counsel for the petitioner submits that there is an error in the judgment dated 26.11.2019, inasmuch as in para 2, it has been recorded that the interest on deposits for the relevant period was Rs. 2,442/- instead of Rs. 33,565/- as mentioned in the ITR.

The total gross income of the deceased was Rs. 3,43,565/-, which included an interest income of Rs. 33,565/-; the said amount shall be deducted from the gross income. Accordingly, Rs. 3,10,000/- would be the gross income on which taxes of Rs. 24,800/- would be deducted.

The net dependent income, post taxes, would be Rs. 2,85,200/- (Rs. 3,10,000/- - Rs. 24,800/-). Therefore, the amount payable towards 'loss of dependency' shall be:

Rs, 2,85,200/- (net income) x 15 (multiplier) + 40% (loss of future prospects) x 75/100 (1/4th deduction towards personal expenses) = Rs. 44,91,900/-.

The order stands modified accordingly.

The application is allowed and disposed-off in the above terms.

NAJMI WAZIRI, J
