IA no. 2176/19(filed by plaintiff u/s 151 CPC for condonation of delay in re-filing the application for amendment of plaint)

It is stated in the IA that on enquiry from Registry plaintiff was informed that no objections were raised but on 4.12.19 it was informed by Hon'ble Court that application was not on record. On enquiry it was mentioned by Registry that there was an objection with respect to font size of application. It is further stated that there is delay of 86 days in re-filing the application.

IA perused.

Considering the averments made in the IA, the grounds taken by plaintiff appears to be plausible. Hence, the delay in re-filing the application for amendment of plaint is condoned.

Accordingly the IA is allowed.
