CORAM: HONOURABLE MR. JUSTICE ANIL KUMAR UPADHYAY
ORAL ORDER

2 17-02-2020 Heard learned counsel for the petitioner and the respondents.

Learned counsel for the petitioner submits that the petitioner is the founder Principal of the College. He is working as incharge Principal and is due to retire within seven months. The College has issued advertisement for appointment on regular post of Principal of the College in the light of direction issued by the Veer Kunwar Singh University as contained in Annexure-1. He further submits that the action of the University in directing the concerned affiliated college to appoint regular Principal is without jurisdiction.

The Statute governing the role of the Governing Body of the college and its relation to the University permits issuance of direction by the University and there is no infirmity in the direction issued by the University for taking steps for appointment of regular Principal. If the petitioner has any grievance, he may approach the appropriate authority, as the Court cannot issue any positive direction in the present writ application to restrain the University or the College from taking steps for appointment of regular Principal.

Accordingly, the writ application is disposed of with liberty to the petitioner to approach the University, if he has any legitimate grievance under the scheme of the Universities Act.
