ORAL ORDER

4 05-06-2020 Heard learned counsel for the parties.

This application for regular bail arises out of K.Nagar
P.S. Case No. 457 of 2019 disclosing offences punishable under
Sections 392 and 365 of the Indian Penal Code.

It is the case of the prosecution that on the alleged
date of occurrence, viz, 12.11.2019 when the informant was
carrying certain miscellaneous articles in a Pick-up Van, he was
intercepted by the miscreants and after having tied his hand
and legs, they took away the vehicle with the articles loaded
therein. The FIR was registered against unknown.

Case diary has been called for, which is there on
record. From the case diary it transpires that confessional
statement of one Md. Alam was recorded by the police which

describes in detail the manner in which the offence was committed. Confessional statement of Md. Alam has led to recovery of looted articles from the petitioner's possession.

Learned counsel appearing on behalf of the petitioner has submitted that he works in a grocery shop from where the articles were recovered. He has been implicated on the sole ground that the petitioner was present in the shop from where recovery of looted articles was made.

Be that at it may, considering the nature of accusation and materials collected in course of investigation, leading to recovery of the looted articles from the petitioner's possession, I am not inclined to grant him the privilege of regular bail for the present.

This application is accordingly rejected.
