CORAM: HONOURABLE MR. JUSTICE MADHURESH PRASAD
ORAL ORDER

2 20-02-2020 Counsel for the petitioner after some argument
submits that there are some dues on account of the service
rendered by him on daily wages for the period between January
2018 to September 2018.

The issue however is required to be examined by the
authorities with reference to the work actually performed by the
petitioner.

In view of this situation, it is considered expedient
that the petitioner should submit his details of claim before
respondent No. 5. In the event such a claim is submitted within
four weeks, respondent No. 5 should consider the same and pass
appropriate orders in accordance with law. If the dues are found

admissible, needless to say that the same should also be paid expeditiously and preferably within eight weeks thereafter.

Counsel for the petitioner submits that there is sufficient work in the respondent Corporation for engagement of the petitioner further on daily wages as had been done earlier.

Without expressing any opinion on the merit of such submission, this Court would only observe that the authorities would be at liberty to offer service to the petitioner having regard to his earlier experience of about one year, in accordance with law.

This writ application is disposed of.
