ORAL ORDER

3 20-03-2020 Heard learned counsel for the parties and perused the case diary.

Petitioner is accused in a case registered for the offence punishable under sections 302/34 of the Indian Penal Code.

It is alleged that on 6.3.2019 at 12.39 AM the petitioner and other accused persons, being members of Quick Response Team (QRT) and the police party of Chakia police station came to his house, they woke up and took away his son Gufran Alam for enquiry. Informant further came to know that one Molazim Ansari, his co-villager, had also been taken away by the officer-in-charge and other police officials of Dumra Police Station. Finally, when he went to Dumra Police Station at 4 PM, he came to know that both of them have been killed by the police party.

Learned counsel for the petitioner submits that the petitioner has falsely been implicated in this case. He submits that the petitioner was not the member of the QRT, rather he was the member of the technical cell of the police party and his duty was only to trace out the tower location of mobile phones of suspected miscreants and to provide the same to the police party and thus he is no way concerned with the interrogation/investigation of the case which is apparent from the records of the case. Petitioner is in custody since 30.8.2019.

Learned counsel for the informant submits that the petitioner and other police officials are in fact responsible for custodial death of the aforesaid two persons.

As the petitioner is said to be the member of the QRT and there is allegation of custodial death against the petitioner, his prayer for bail is rejected.
