ORAL ORDER

3 21-05-2020 Heard learned counsel for the petitioner and the
respondents.

The petitioner has filed the present writ application
for payment of General Provident Fund amount, Insurance
amount and leave salary with statutory interest.

Learned counsel appearing on behalf of the State with
reference to the counter affidavit submits that the petitioner is
only entitled to payment of GPF amount and Group Insurance
amount and leave encashment is not admissible to him.

Mr. Ram Hriday Prasad, learned counsel for the

petitioner has now confined the prayer to the extent of payment of statutory interest.

Considering the limited prayer of the petitioner, the writ application is disposed of with a direction to the respondents to calculate the statutory interest on GPF amount and if up-to-date interest has not been paid till the date of payment, then the respondents shall pay the balance amount of statutory interest.

The counter affidavit filed by the respondents simply indicates that amount of G.P.F. amounting to Rs. 1,47,632/- has been paid through Bill No. 77/19-20 and there is no statement as to when the GPF amount was calculated as Rs.1,47,632/- and as to when actual payment was made. There is no statement as to payment of statutory interest on the GPF amount.

Under the aforesaid circumstance, the writ application is disposed of with a direction to the respondents to calculate afresh the statutory interest on GPF amount and provide calculation chart to the petitioner within a maximum period of one month from the date of receipt/production of a copy of this order.

It goes without saying that if any amount is found payable towards the statutory interest on GPF amount, the same

must be paid to the petitioner within the same time along with
the calculation chart.
