CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD
ORAL ORDER

4 26-02-2020 In a review application if the ground taken is that the order passed by this Court is bad in law, this Court would only lament the kind of skill which is being developed at the Bar in drafting an application. The level of drafting has gone to this extent that now an order is being assailed before the same Court as if the Court is hearing an appeal against its own order.

Apparently the review application has been filed in a most casual manner. No error apparent on the face of the record

has been pointed out to this Court.

This application is, thus, dismissed.
