In the present case, a Munshi of the Contractor has been killed just because he refused to pay the extortion money as demanded by the accused persons.

There is a gang operating in the area who use to

demand extortion money, on refusal, they use to stop the work as also the refusal entails the death certificate. In the present case also, the road Contractor was demanded extortion money but, his Munshi refused to pay the same, later on, the accused persons including the present petitioner went to Munshi and asked him as to why the money was not given. Before the Munshi could reply, the bullet was pumped in his body.

Looking to the entire facts and circumstances of the case, this Court is not inclined to grant bail to the petitioner.

Accordingly, the prayer for bail of the petitioner, above named, is rejected.
