**ORAL ORDER**

**5      08-07-2020**                      As of now, the Courts have not resumed normal physical hearing. The matter has been listed today for consideration through Video Conferencing.

Learned counsels are appearing and making submissions from their residence. The Court Master and Secretary are also part of this virtual Court proceedings with the aid of audio visual technology.

Heard learned counsel for the petitioner, informant and learned APP for the State.

Petitioner seeks bail in this case registered under Sections 302, 201 of Indian Penal Code.

The dead body of Chandni has been recovered from a turmeric field. It is the case of the informant that she has been

killed by the petitioner.

Petitioner's counsel submits that victim was having intimate relations with the petitioner which has led to his implication. It is actually a case of honour killing. There is a delay in lodging the First Information Report (for brevity, *FIR*). There is no blood-stained article recovered from the place of occurrence and it is a case of false implication.

Learned counsel for the informant and learned APP for the State submit that motive has been clearly stated by the informant in her FIR. Victim has been recovered with stabbed wounds and strangled. Witnesses, in the course of investigation, have stated about the petitioner's involvement.

Considering the rival submission and the gravity of the allegations, this Court, for the present, is not inclined to grant bail to the petitioner. Prayer for bail is rejected.
