ORAL ORDER

Heard the parties.

This application is for grant of regular bail in connection with Chapra Town P.S.Case No.481 of 2018 for the offences under Sections 366A/34 of the Indian Penal Code.

Petitioner is named in the FIR with allegation of kidnapping of the minor daughter of the informant.

Submission of the learned counsel for the petitioner is that he is in custody for more than one year and except the suspicion there is nothing against him.

On the other hand the learned counsel for the APP has opposed the prayer for bail on the ground that earlier also he tried to outrage the modesty of the victim and when the family members protested he went upon for committing *mar-pit*. It is also submitted that record is still traceless.

Heard learned A.P.P. and perused the report, from which it appears that summons have been issued for examination of the non-official witnesses and the trial court has also prayed for 6-8 months' time for conclusion of the trial..

Having heard both sides and in view of the facts and circumstances, as stated above, I am not inclined to grant bail to the petitioner at this stage, however, the learned trial court is directed to expedite the trial and try to conclude it within a period of six months and if not concluded, the petitioner is at liberty to renew his prayer for bail.

With the aforesaid observation, this application is dismissed.
