CORAM: HONOURABLE MR. JUSTICE MADHURESH PRASAD
ORAL ORDER

2 09-07-2020 The petitioner, a contractual employee under the District Health Society, East Champaran and is working as a Block Health Manager, has assailed the order dated 20.6.2020 (Annexure 6), whereby his services have been transferred from the Primary Health Centre, Chhauradano to the Primary Health Centre, Patahi.

It is alleged by the petitioner that the transfer has been effected since he has been raising his voice against the In-charge

Medical Officer, under whom he was discharging his duties.

The In-charge Medical Officer, however, has not been impleaded as a party-respondent. The petitioner apparently has made a half-hearted allegation of *mala fide* against the In-charge Medical Officer, under whom he was discharging his duties. He is a contractual employee and has not pointed out that the transfer is otherwise violative of any law or that the same suffers from any other illegality whatsoever.

Under the present pandemic scenario, the order of transfer apparently has been issued by the competent authority and, therefore, this Court is not inclined to interfere with the same, as pandemic management is paramount in the present scenario. No case is made out for interference with the transfer order.

The writ petition is dismissed.
