CORAM: HONOURABLE MR. JUSTICE MADHURESH PRASAD
ORAL ORDER

2 07-09-2020 As of now, the Courts have not resumed normal

physical hearing. The matter has been listed today for

consideration through Video Conferencing.

Learned counsel are appearing and making

submissions from their residence. The Court master and

Secretary are also part of this virtual Court proceedings with

the aid of audio visual technology.

Learned Sr. counsel representing the petitioner submits that on his survey plot numbers, the Authorities are proposing to carrying out certain Schemes under the Chief Minister Development Programme. The matter was looked into by the Collector and under order dated 28.02.2020, the petitioner's claim has been rejected. The same gives rise to disputed question of fact being raised by the petitioner asserting his right title and interest over the plots in-question, namely plot numbers, 3278 and 3279. The collector, on the order, on the other hand, has found that the petitioner has no such right title and interest over the land in-question.

In view of the disputed question of fact arising for consideration which can only be determined after going through the various documents and evidence in this regard, this Court would dispose off the writ petition with liberty to the petitioner to assert his right, title and interest over the plots in-question in the appropriate proceedings in accordance with law.
