CORAM: HONOURABLE MR. JUSTICE MADHURESH PRASAD
ORAL ORDER

2 15-10-2020 Since as of now the Courts have not resumed

normal physical hearing, the matter has been listed today

for consideration through video conferencing.

The learned counsels are appearing and making

submissions from their residence. The Court Master and

Secretary are also part of this virtual Court proceedings

from their homes, all with the aid of audio visual

technology.

Heard learned counsel for the petitioner and the

learned Standing Counsel No.2 for the respondent-State.

Mr. Ravindra Kumar, learned counsel for the

petitioner submits that the petitioner is aggrieved by the issuance of charge memo and submits that the University has submitted a report in view of the same allegation against one Kameshwar Prasad Singh that the certificate was not forged and fabricated, from which it can be verified that the petitioner's certificate was not false/forged.

The petitioner will be at liberty to place the same on record in the proceedings before the Enquiry Officer pursuant to the charge memo dated 09.06.2020, which has been issued to him, along with any other documents, and to raise all the points in his defence. On a speculative plea that this fact would not be considered in the enquiry, this Court would not interfere with the charge memo issued against the petitioner in the instant proceedings. No other grounds have been urged to assail the charge memo.

It is needless to say that the authorities would be obliged to bring home the charges as per the law and after considering all aspects of the matter, including the defence that the petitioner would be raising in the proceedings. No case is made out for interfering with the charge memo.

The writ petition is dismissed.

The order is being passed in presence of the
learned State Counsel.
