**ORAL ORDER**

5      03-03-2020      Heard the parties.

This application is for grant of regular bail in connection with Amas P.S.case No.20 of 2019 for the offences under Section 304(B) of the Indian Penal Code.

As per the prosecution case, petitioner happens to be husband of the deceased and he has called her at Sherghati along with the Pass Book and also asked her to come alone and later on her dead body was found.

Firstly it has been submitted by the learned counsel for the petitioner that the prosecution story does not appear to be believable as the petitioner at that time was residing at Delhi and secondly, it has been submitted that the deceased was residing at her *Maike* and she has committed suicide and the

petitioner has falsely been implicated in this case and another submission, which has been taken by the learned counsel for the petitioner is that she was killed in some other manner and the allegation of demand is false and concocted. Petitioner is in custody since 12.6.2019 .

Heard learned A.P.P. , who has opposed the prayer for bail on the ground that the death is due to strangulation as per the postmortem report. There is specific allegation against him that the petitioner has called her and apart from that the impugned order discloses that from the CDR details, location of the mobile was also found around the place of the occurrence.

Having heard both sides and considering the above, I am not inclined to grant bail to the petitioner .

Accordingly, this application is dismissed.
