CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

3 13-01-2020 The petitioner seeks regular bail in connection with

Bath P.S. Case No. 16 of 2019, registered for offences

punishable under Sections 302, 201 of the Indian Penal Code

and later on added Section 27 of the Arms Act.

Allegation against the petitioner and others is of

committing murder of husband of the informant and petitioner

is said to have given Supari for murder of husband of informant.

It has been submitted on behalf of the petitioner that

she has been made accused in this case only on the basis of

suspicion and except that there is nothing against the petitioner

and she is a lady and has been in custody for eight months and

now charge has been framed.

Learned counsel for the State and learned counsel for

the informant opposed the prayer for bail of the petitioner that

there are enough materials against the petitioners to show that she is conspirator in the murder of husband of the informant and at her instance the husband of the informant was killed.

Having heard both sides, considering the facts and circumstances of the case, I am not inclined to enlarge the petitioner on bail. However, since the petitioner is a lady, learned Trial Court is directed to expedite the trial and conclude the same as early as possible even by conducting the trial regular basis.

Learned counsel for the informant is present and he has assured that he will cooperate in expeditious disposal of trial.

This application is accordingly dismissed.
