ORAL ORDER**

3 29-01-2020 Heard learned counsel for the petitioner, counsel for
the informant and the State.

The petitioner seeks bail in **Salkhua (Banma Itahari
O.P.) P.S. Case No. 53 of 2019 corresponding to Sessions
Trial No. 138 of 2019**, registered for the offence punishable
under Sections 302/34 of the Indian Penal Code.

The informant alleged that on 29/30.03.2019 she went
to her bed at about 10.00 p.m. and his son Md. Tasir (deceased)
went in his room along with his wife and three children for
sleeping. At about 1.00 am, her median daughter-in-law came at
her darwaja and said that her son (Md. Tasir) was killed by
stabbing knife. The informant went there and saw Md. Tasir
with knife blows on head, chest, back and arm. Thereafter the
Md. Tasir was taken to hospital for treatment where he was

declared dead. The informant alleged that due to illicit relation between the petitioner and her daughter-in-law the present occurrence took place. Informant's grand-son Md. Shahnawaj aged about 10 years who was sleeping with his parents who told her that his mother, Md. Safir (petitioner) and one unknown stabbed Tasir to death.

It appears from the postmortem report that there were 32 injuries found on the person of deceased caused by light and sharp pointed substance.

Considering the facts aforesaid and nature of allegation, I am not inclined to enlarge the petitioner above-named on bail. Accordingly, the same is rejected.
