Heard parties.

This criminal revision petition has been filed for setting aside the judgment dated 30.09.2019 passed by the Principal Judge, Family Court, Banka in Misc. (Maintenance) Case No.55/2018 by which the learned court below has directed the petitioner to make a payment of Rs.4,000/- per month to Shila Devi - wife of petitioner from the month of September, 2019.

Opposite party no.2 had filed a case for grant of maintenance stating therein that she has been deserted by the petitioner and living in very miserable and pity condition. Petitioner has performed second marriage and from which he has two daughters and two sons who are well placed. However,

she has no source of her income and she is maintaining herself anyhow on charity of villagers. Earlier her mother used to support her but now she is also dead and now she is on brink of starvation.

After considering all the materials available on record, the Principal Judge, Family Court has directed to pay a sum of Rs.4,000/- as maintenance to O.P. No. 2.

After hearing the parties and perusing the judgment and order passed by the Family Court, this Court does not find any illegality or irregularity in the judgment passed by the Family Court, as such, this criminal revision petition is dismissed.
