CORAM: HONOURABLE MR. JUSTICE MADHURESH PRASAD
ORAL ORDER

2 13-02-2020 Heard learned counsel for petitioner and learned counsel
for the respondent-State.

The complain of the petitioner is that on account of long pendency of the proceedings under Rule 43(B) of the Bihar Pension Rules, initiated on 15.06.2015, he is being made to suffer deprivation of pension. He is only being paid provisional pension since June 2015 on account of the pendency of the proceedings.

The limited grievance of the petitioner is that the process should be concluded expeditiously and in accordance with law.

The same, needless to say has to be done by the District Magistrate, Supaul (Respondent No.3). The grievance of the petitioner leaves no room for adjudication in the instant proceedings. Pendency of the writ proceedings would, therefore, be futile.

The writ petition is disposed of with a direction to the respondent No.3 to conclude the proceedings expeditiously in accordance with law and without any undue delay. The entire exercise should be completed preferably within a period of three (03) months. The petitioner would be under a legal obligation to cooperate so that the conclusion of the proceedings be facilitated within the time frame.
