BEFORE
HONOURABLE MR. JUSTICE MANISH CHOUDHURY

ORDER

Date : 22-12-2020

Heard Mr. A.M. Khan, learned counsel for the petitioner and Ms. R. Kakoti, learned Standing counsel appearing for the respondent Indian Oil Corporation (IOC) authorities.

The petitioners are contractors and they were awarded with different works by the respondent IOC. According to them, all the petitioners had completed the works awarded to them and upon examination of the works executed by them, the respondent authorities were satisfied with the same. The petitioners, in due course, had also submitted bills for the works executed by them before the respondent authorities but their dues have not been disbursed till date.

Ms. R. Kakoti has submitted, on instruction, that further 4 (four) week's time would be required for the respondent authorities to examine the claims of the petitioners in respect of the bills submitted by them for the works stated to be executed by them and to disburse the amounts found entitled upon such examination.

Learned counsel for the parties have submitted that instead of keeping these writ petitions pending the same can be disposed of with a direction to the respondent IOC to examine the claims of the petitioners in respect of the bills submitted by them for the works executed by them and after such examination, to disburse the amount entitled for the said works.

In view of the submission made above by the learned counsel for the parties, this Court finds it appropriate to dispose of these writ petitions with the direction to the respondent authorities in the IOC to examine the claims of the petitioners with regard to the bills submitted by them for the works they stated to have completed and upon such

consideration, to disburse the amounts to the petitioners entitled for such works. A further direction is made to complete the entire exercise as expeditiously as possible preferably within 31.01.2021.
