Since the petitioner apprehends law and order

problem, upon the petitioner trying to make a construction of a meter room and electricity company trying to grant electricity to the petitioner, it would be appropriate to direct the Officer-in-Charge of the local police station to ensure that, no breach of peace occurs at the locale when the petitioner constructs a meter room for the purpose of obtaining electricity supply and the electricity company provides electricity to the petitioner.

Upon the petitioner complying with the requisitions of the electricity company and paying the costs, charges and expenses in respect thereof and complying with the formalities, the electricity company will provide electricity supply to the petitioner within 48 hours thereof.
