The grounds indicated in the review application do not fall within the scope of the provisions of order XLIII. The grounds clearly indicate matters that ought to have raised before the appellate court.

For the reasons stated above, RVW 178 of 2019 stands dismissed along connected application with cost of Rs. 1700/- (Rupees Seventeen Hundred Only).

Liberty is, however, reserved to the petitioner to file a fresh review application in respect of the same order.
