The petitioner undertakes to affirm and stamp the petition as per the Rules within 48 hours of resumption of normal functioning of the court. The petition is taken up through video conference on the basis of such undertaking.

The State says that the petitioner's wife died within three months of marriage and a diary recovered from the house reveals that the victim was upset as the petitioner was involved with some other lady.

Considering the circumstances, the petitioner's continued detention may not be necessary, particularly since the charge-sheet has already been filed.
