In Re: An application for bail under **Section 439 CrPC** filed on 04.11.2020 in connection with Chanchal Police Station Case No.624 of 2020 dated 25.07.2020 under Sections 498A/302/34 of the IPC.

And

In the matter of: Ataur Rahman @ Ata ...Petitioner.

Mr. Anand Farmania ...for the petitioner.

Mr. Rana Mukherjee
Mrs. Sujata Das ...for the State.

Petitioner is in custody for the last 86 days. No charge sheet has been submitted as yet as submitted by the learned counsel for the petitioner and further submits that the case is that of the suicide but it has been shown as the case of homicidal death under Section 302 of the Indian Penal Code.

We have heard the learned counsel for the petitioner as also the State.

Having considered the case diary and other materials on record and in our view that the death is anti-mortem and homicidal due to strangulation, the prayer for bail is considered and rejected.

CRM No. 9082 of 2020 is disposed of.
