Appellate Jurisdiction**

WPA 99 of 2020

Sanjay Rai & Anr.
-versus
The State of West Bengal & Ors.

Mr. Debabrata Dhar
Ms. Paramita Sahu
...For the State

No one appears in support of the writ petition, although the learned advocate for the State is present. The writ petition was filed on 20th January, 2020. Records reveal that the writ petition has been adjourned on 24th January, 2020 and 17th February, 2020.

It appears that the writ petitioners are not interested to prosecute with the application and, as such, are absent even though on two previous occasions adjournments had been granted.

The writ petition is dismissed for want of prosecution.

Interim order, if any, stands vacated.
