The Court :- Considering the facts of the case it appears that the petitioner has filed this writ petition in the Original Side of this Court alleging that the West Bengal Board of Secondary Education, the respondent no. 6 is having its office at 77/2, Park Street, Calcutta 700 016. However, from the documents disclosed at page 30 of the writ petition it appears that the West Bengal Board of Secondary Education has its office at Salt Lake, outside the Original Side Jurisdiction of this Court.

Accordingly, the department is directed to treat this writ petition as an Appellate Side matter and list this matter after one week.
