Hon'ble Shri Justice P. Sam Koshy**Order on Board****21/01/2020**

1. The limited grievance that the petitioner has raised in the present writ
petition is for issuance of an appropriate direction to the respondents
to consider and incorporate the name of petitioner in the survey list
enabling the petitioner to get employment under respondent No. 1 &
2 under the Rehabilitation Policy of 2007.
2. Counsel for the respondent No.1 & 2 submits that as per instructions
the petitioner would not be entitled under the Rehabilitation Policy of

2007 for the reason that petitioner's father came in possession of the property subsequent to 2006 and that the petitioner herself is a person who was adopted in the year 2018.

3. Be that as it may, since petitioners have made a representation for grant of benefits under the Rehabilitation policy and by including the name of the petitioner in the survey list. Considering the fact that admittedly the father of the petitioner namely Godavari Goyal had received compensation against the land which was acquired by the State Government on the behalf of respondent No.1 & 2, let the petitioner make an appropriate fresh representation to the respondent No.2 & 3 giving details of his eligibility for his name to be included in the survey list enabling him to seek rehabilitation by way of employment.
4. Given the aforesaid facts and circumstances, let petitioner make a suitable representation along with all supporting documents to the respondent No.2 & 3 within a period of three weeks from the date of receipt of copy of this order and respondent No.2 & 3 in turn shall take a decision on the said representation in accordance with the policy governing the field at the earliest preferably within a period of 90 days from the date of receipt of representation of the petitioner.
5. It is made clear that this Court has not expressed any opinion on the merits of the claim, so far as entitlement of the petitioner is concerned.
6. With the aforesaid observations, the present writ petition stands disposed of.
