Judgement on Board**P. R. Ramachandra Menon, Chief Justice****04.03.2020**

1. This appeal is against the verdict dated 10.12.2019 passed by the learned Single Judge in Writ Petition (S) No.3092 of 2013 directing the Respondents in the writ petition to consider the claim of the writ Petitioner for dependent employment and to grant the same subject to fulfilment of other requirements entitled for the dependent employment in terms of the relevant provisions of law governing the field. In fact, the said verdict was passed with reference to the judgment passed by the Division Bench in

Writ Appeal No.246 of 2016 (parties being, **Coal India Limited and Others v. Smt. Asha Pandey**) and connected cases on **03.09.2019**.

2. It was pointed out from the part of the Appellant that the judgment in Writ Appeal No.246 of 2016 and connected cases have already been taken up by filing SLP before the Supreme Court and the matter was pending consideration. However, it was brought to the notice of the Court in connection with the issue pending in Writ Appeal No.213 of 2020 filed by the very same Appellant before this Court in connection with another cause of action that the SLP had been dismissed and in the said circumstance, we passed a detailed order on 25.02.2020 in the said case holding that the verdict passed by this Court in *Asha Pandey's case* having become final, by virtue of the affirmation given by the Apex Court on merits, the appeal stands dismissed as devoid of any merit.
3. Same consequence shall follow in the present appeal as well. There is no merit, it is dismissed in terms of the verdict passed by this Court in *Asha Pandey's case* as affirmed by the Apex Court.
