Heard.

1. This revision petition has been brought against the order granting interim maintenance to the applicants in order dated 14.10.2019.
2. As order passed is of interlocutory nature and the claim of the applicant for enhanced maintenance is yet to be taken into consideration by the learned Family Court, therefore, I do not feel inclined to entertain this petition at this stage. Therefore, this revision petition is disposed off, however, the learned Family Court is directed to consider and decide expeditiously the application of applicant under Section 125 of Cr.P.C. preferably within a period of four months from the date this order is communicated.
3. Accordingly, the petition stands disposed off.
