Order On Board

27/04/2020 :

WPPIL No. 27 of 2020

IA No.3/2020

1. This application has been filed for permission to intervene in the writ petition by one Shri Bhushan Prasad Tiwari, through his counsel Shri Gautam Khetrapal, Advocate.
2. At the outset, Shri Khetrapal would seek permission of the Court to withdraw the said application for the reason that similar prayer has been turned down by the Hon'ble Supreme Court in the pending PIL petitions.
3. Accordingly, the said application is disposed of as withdrawn.

IA No.5/2020

4. The letter written by Shri HB Agrawal, Senior Advocate has been marked as IA No.5/2020. Let Shri Agrawal supply copy of this application to learned amicus curiae. The State shall file reply to the said application filed by Shri HB Agrawal, Sr. Advocate. This application shall be taken up for consideration on the next date of

hearing.

IA No.6/2020

5. This application has been preferred by Shri Gautam Khetrapal, Advocate on behalf of intervener Shri Bhushan Prasad Tiwari seeking certain directions to the State Government in relation to the issues which arose on account of arrival of Tabliqui Jamat attendees in the State of Chhattisgarh. The issue was taken up on previous dates of hearing and certain directions were issued in compliance of which the Director General of Police has filed affidavit satisfying the Court about the steps taken for tracing out the attendees and the person who came into contact with such attendees. In view of the affidavit of the Director General of Police, this interim application has served its purpose. Therefore, it is disposed of

IA No.7/2020 and IA No.10/2020

6. This application has again been filed by Shri Bhushan Prasad Tiwari praying for a direction to the respondents to create online as well as offline bulletin providing details of Corona diagnosed patients as well as nearest testing centres. It is also prayed that the respondents be directed to provide details of steps taken in the religious accommodations/Dharamshala and the steps taken to enforce social isolation.
7. The first prayer concerning disclosure of identification of Corona diagnosed parents would in fact invade privacy of individual, as the medical or health history of individual cannot be put to public domain without consent of the individual. While dealing with invasion of privacy of individual, the Hon'ble Supreme Court in the matter of **K.S. Puttaswamy (Retired) and another Vs. Union of India and Another** {(2019) 1 SCC 1} has laid down the law in a very lucid manner, therefore, the prayer made is squarely hit by

the prohibition imposed on the State or the Court to take any such step which has the effect of invasion of individual's privacy. The first prayer is therefore rejected.

8. Insofar as the second prayer is concerned, in the previous hearings, the State has apprised the Court about the steps taken to de-crowd the religious places/Dharamshala. The learned Advocate General again assures that the State has banned crowding of religious places and in fact all religious places are not allowed to organize any such function which has the effect of violating social distancing norms. The second prayer has therefore been rendered infructuous. Accordingly, the application (IA No.7/2020) stands disposed of in the above terms.
9. The application (IA No.10/2020) preferred by Shri Devershi Thakur, Advocate making similar prayer is also disposed of in the above stated terms.

IA No.8/2020

10. This application has been filed for a direction to ensure strict compliance of lockdown regulations. Learned Advocate General would refer to Annexure-I filed with the said application to demonstrate that the documents itself refers to the steps taken by the Government after the lockdown violations came to the notice of the State authorities.
11. Learned Advocate General informs that the State machinery including the State police have been taking all possible measures to dissuade people from violating the lockdown regulations and action has been taken against all such individuals who have been found to be violating the lockdown regulations.
12. In view of the statement made by the Advocate General, no further order is necessary on this application. IA No.8/2020 is accordingly disposed of.

IA No.9/2020 & WPPIL No.34/2020

13. The said PIL has been preferred by one Balram Prasad Dewangan & Another through his counsel Shri A.S. Kachhawaha, whereas IA No.9/2020 for intervention has been preferred by Shri Gary Mukhopadhyay, Advocate, both seeking quashment of communication dated 12.4.2020 issued from the office of Directorate of Urban Administration and Development Raipur, directing that any social service organization or donators who wish to provide ration to the needy people shall deposit the same with the district administration, who shall thereafter distribute the same amongst the needy persons. Shri AS Kachhawaha and Shri Gary Mukhopadhyay, learned counsel would argue that this blanket ban on distribution of food materials to the needy persons is creating difficulty rather than solving the problem of poor and hungry. Therefore, this communication deserves to be quashed.
14. We have heard learned counsel for the petitioners/interveners and learned Advocate General for some time and we are satisfied that the communication issued from the Directorate of Urban Administration and Development Raipur has an object sought to be achieved inasmuch as allowing social service organizations or individual donator to distribute food materials amongst the poor and hungry people may create problem for the administration to implement social distancing norms as well as to follow lockdown restrictions/regulations. However, at the same time, if social service organization or individual donator wishes to provide food materials to the needy and hungry people, the same should not remain unserved to the targeted members of the society. Therefore, the intervention application and the PIL are disposed of with an observation that whenever any social service organization or individual donator moves the district

administration with a request to provide food material to any needy person or group of needy persons, the same shall be properly attended to by the concerned State Agency.

15. Accordingly, the application (IA No.9/2020) and **WPPIL No.34/2020** are disposed of.

IA No.11/2020

16. This application has been preferred by Shri Rajesh Ranjan Sinha through his counsel Shri Faiz Kazi, Advocate for a direction to the State Government to arrange transport for the students who are stuck in Kota, Rajasthan.
17. Learned Advocate General informs that all such students belonging to the State of Chhattisgarh who were stuck and stranded at Kota, Rajasthan and were willing to return to the State are being brought back through special buses.
18. In view of the statement made, prayer made in the application (IA No.11) has been rendered infructuous. It is therefore dismissed as infructuous.

IA No.12/2020 and IA No.13/2020

19. This application has been filed by one Sukant Verma through his counsel Shri Yashwant Thakur.
20. Let the State file reply to this application.
21. In view of the above, IA No.13/2020 for urgent hearing stands disposed of.

IA No.15/2020, IA No.16/2020 & IA No.17/2020

22. This application has been preferred by one Vinod Malviya.
23. Let further details be provided by Shri Devershi Thakur, Advocate elaborating the facts stated in the application so that the issue can be dealt with effectively on the next date of hearing.
24. The said application shall be considered on the next date of hearing.

25. In view of the above, IA No.16/2020 for exemption from filing affidavit and IA No.17/2020, application for filing of undertaking stand disposed of.

ISSUE OF DEATH OF 12 YEARS OLD GIRL JAMLO MAKDAM

26. The Registry has received a letter written by Sahil Khan, a law student at JMI, New Delhi, resident of Ambikapur, Chhattisgarh, highlighting the issue of death of 12 years old girl Jamlo Makdam, who reportedly died of exhaustion and dehydration, as she was compelled to undertake 150 km long journey from Telangana to her home at Bijapur. The letter also requests to consider some other issues.
27. Let copy of this letter be supplied to the Advocate General and learned amicus curiae, as also Shri Ashish Shrivastava, learned counsel appearing for SLSA. The State as well as the SLSA shall file status report in respect of the said incident and steps taken to stop recurrence of such or similar incidents in future during the lockdown restrictions. This issue shall be taken up on the next date of hearing.

WPPIL No. 28 of 2020

28. Learned Advocate General seeks some more time to file return to the writ petition. He would categorically state that the food items are distributed to all individuals whether they are ration card holders or they are not holding ration card.
29. Considering the nature of relief prayed for in the writ petition and the documents filed along with the application dated 13.4.2020 for issuance of interim directions, it is directed that the State shall take all possible measures to reach out to the individuals who do not have ration card so that necessary food stuffs are distributed amongst such persons either through Gram Panchayat or through the Public Distribution System shops. Similarly, the State shall

file separate affidavit in respect of reduction of food items/ articles distributed to the students who are beneficiaries of mid day meal schemes and Aangan Badi Centres.

WPPIL No. 30 of 2020

30. Shri Faiz Kazi, learned counsel appearing for the petitioner seeks 12 weeks' time to file rejoinder.
31. Post the matter after 12 weeks.

WPPIL No. 31 of 2020

32. Shri Amiyakant Tiwari, petitioner in person would submit that the grievance raised in the writ petition has been remedied, as would be appearing on reading of contents of the return filed by the respondents No.1 to 4.
33. In view of the statement made by the petitioner, the writ petition appears to have been rendered infructuous. It is accordingly disposed of as infructuous.

WPPIL No. 29 of 2020

34. IA No. 6/2020 for taking documents on record is allowed.
35. Learned counsel for the petitioner prays for and is allowed one week time to file rejoinder.
36. Learned ASG is allowed 3 weeks' time to file return.
37. In the meanwhile, MGNREGA workers shall be provided wages and other facilities in accordance with the extant Government norms.
