1. The grievance of the petitioner in the present writ petition is to the action on the part of the respondents in disconnecting the facilities like water supply, Electricity, etc.
2. The reason for disconnecting the electricity and water supply to the petitioner premise was on account of the petitioner not providing fire safety certificate required in the maintenance of the building.
3. Today when the matter is taken up, the counsel for the petitioner submits that the petitioner establishment on 29.05.2020 have
