Order On Board

14/07/2020

Heard on admission.

Admit.

The applicant has filed this application under Section 439 of the Code of Criminal Procedure for grant of regular bail as he is in custody in connection with Crime No. 19/2019 registered at police station Khamardih, district Raipur (CG) for the offence punishable under Section 307 IPC.

As per prosecution case, the applicant has stabbed his colleague namely Constable Amandeep Singh with scissor and caused two injuries.

Counsel for the applicant submits that the applicant has been falsely implicated in the case. He submits that as per the charge sheet, the applicant is under medication. Lastly, he submits that the applicant is in jail since 25.01.2020 and looking to the conduct of the prosecution it is clear that the trial will take time for its conclusion.

On the other hand counsel for the State opposes the bail application.

Having heard counsel for the parties, considered the totality of the fact, in particular the detention period of the applicant, I am inclined to release him on regular bail. Accordingly, his application filed under Section 439 of the Code of Criminal Procedure is allowed.

It is directed that in the event of the applicant's furnishing a personal bond in the sum of Rs. 25,000/- with one surety for the like sum to the satisfaction of the concerned Court, he shall be released on bail.

It is made clear that if the applicant has already been released on bail pursuant to the bail bonds already furnishing in view of the order passed by the High Power Committee constituted in compliance of the order of the Supreme Court of India dated 23.03.2020 in the matter of **In Re: Contagion of COVID 19 Virus in Prisons** (Suo Moto Writ Petition (C) No. 1/2020), he need not furnish bail bonds afresh and the bail bonds already furnished shall be deemed to be the bail bonds furnished in compliance of the order

of this Court, but if he has not furnished the bail bonds earlier, then
he will be required to furnish bail bonds within four weeks' from today.
