Order on Board

Per P. R. Ramchandra Menon, Chief Justice

28.02.2020

1. The grievance involved in these batch of writ petitions can be easily discernible from the prayers raised in Writ Petition (C) No. 2471 of 2019 treating it as the lead case.

“1 That, this Hon'ble Court may kindly be pleased to writ/writs, order/orders, direction/directions quashing the impugned order dated 01.07.2019 (Annex.P/1) received through E-Mail and respondent authorities may kindly be directed to reconsider the offer of the petitioner firm and if the order of the petitioner firm would be found

acceptable the petitioner firm may also kindly be awarded the rate contract offer.

2. That, this Hon'ble Court may kindly be pleased to grant any other relief(s), which is deemed fit and proper in the aforesaid facts and circumstances of the case.”

2. Shri Animesh Tiwari, the learned counsel appearing for the Respondents No. 1 and 2 submits that the challenge raised against the rejection of the technical bid may not survive in view of the fact that the Respondent has already taken a decision to cancel the tender which is subjected to challenge and to go for re-tender. It is stated that necessary steps in this regard are proposed to be made before 15.03.2020, being an annual tender.
3. In the above circumstances, the challenge raised by the Petitioner with regard to the rejection of the technical bid has virtually become redundant. Nothing remains to be adjudicated in view of the decision taken by the Respondent as per the subsequent developments. Accordingly, all these matters are closed without dealing with the merits of the case.
