Order On Board

09.11.2020

1. These are bunch of writ petitions wherein the challenge is in respect of the notice issued by the respondent No.3 asking the petitioners to remove the small shop/Gumati which the petitioners have made to earn their livelihood. The period granted for vacating the said premises is 7 days.
2. According to counsel for the petitioners, many of the petitioners are people who are below poverty line and are earning their livelihood only from the small shop that they are running from the said places. It was further contention of the petitioners that they have been operating said shops for a pretty long time and at this juncture if the petitioners are removed from the said location they would be put to great hardship and the very existence of the petitioners and their dependents would be at stake.
3. The counsel for the petitioners further submits that if at all if the respondent No.3 intends to remove the petitioners from the present location, appropriate steps should have been taken ensuring rehabilitation of the petitioners, so that their livelihood should not get adversely affected. The counsel for the petitioners also submits that the State Government also has various schemes under which the petitioners can be granted an alternative location ensuring rehabilitation. The learned counsel appearing for the State at this juncture submits that no indefeasible rights as such has been established by the petitioners and from the pleadings of the petitioners itself, it clearly reflects that they have encroached upon the government land and have been using the same illegally and for which the respondent authorities have issued the notice.
4. Having heard the contentions put forth on the part of the petitioners and also upon hearing the counsel for the respondents, the admitted factual

matrix as it stands, there is no dispute so far as the petitioners not having any right created in their favour so far as the land over which they have constructed the shops and operating the same. Yet however the petitioners undisputedly have been operating the said shops for a considerable long period of time. If we read Annexure P/1 there does not appear to be any specific reason assigned by the authorities i.e. the respondent No.3 requiring the petitioners to be removed from the said location. It is also not the case of the respondents that the said location as of now is required for any public purpose also.

5. Learned counsel appearing for the petitioners submits that in few writ petitions the respondent authority i.e. the respondent No.5-Tehsildar has also made correspondence recommending the case of the petitioners for being allotted suitable government land on lease subject to petitioner's making requisite fees as prescribed by the State Govt. for grant of lease of government Nazool land. This aspect also is acceptable to some of the petitioners which also may be considered by the authorities in accordance with law at the earliest before being forcefully evicted from the present location.
6. Under the circumstances, this Court is of the opinion that the writ petitions at this juncture can be disposed of directing the petitioners to approach the respondents No.2,3 &5 by way of a fresh representation in addition to what they have already made and the respondents No 2,3 & 5 in turn shall consider the case of the petitioners sympathetically considering the fact that many of them are persons below poverty line and also do not have any other source of income except for the shops that they are operating and try to redress their grievances by granting some alternative location wherein they can rehabilitate themselves under any of the schemes that are in force in the State of Chhattisgarh. The petitioners can also offered

govt. Nazul land on their payment of the requisite fees as per the Govt. scheme.

7. Let the petitioners approach the respondents No. 2,3 & 5 within a period of 10 days from the date of receipt of the copy of this order. Meanwhile, purely as an interim measure till the respondents No. 2,3 & 5 take a decision on the representation so made, no coercive steps be taken against the petitioners pursuant to Annexure P/1.
8. With the aforesaid observations, all the writ petitions stand disposed of.
