P.C.

. None for the petitioners.

2. The record discloses that an order passed by the Co-operative Appellate Court on Interim Application pending disposal of the dispute before the Co-operative Court at Kolhapur is a subject matter of challenge in these petitions, which are pending from the year 2007 for admission. In all probability, as the dispute might have been decided before the Co-operative Court, that the parties are not attending the present petition.

3. In such circumstances, the writ petitions are dismissed for want of prosecution, with no order as to costs.

4. Pending civil application is disposed of as infructuous.
