

**CORAM : B.P. DHARMADHIKARI &
NITIN R. BORKAR, JJ.
DATE : FEBRUARY 05, 2020**

4. The report shows that on 1/8/2001 the prisoner was released on parole for 30 days and he was supposed to return back on 31/8/2001. He was required to be arrested and brought

back on 27/5/2010 i.e. late by 3188 days which equals to about 8 Year, 8 months and 26 days. For this delay on 12/6/2012 punishment of deleting his name permanently from the remission register has been inflicted. This punishment was not questioned by the prisoner at any point of time.

5. As per policy decision dated 13/11/2018, the case of the prisoner was looked into by the Committee on 4/6/2019 for restoration of his name. However, as the period of absconding in case of the prisoner was exceeding more than 8 years, it was held that his case for restoration can be considered only after 13 years from the date of his return to the jail. That date has been worked out to be 26/5/2023

6. In this situation, as we do not see any jurisdictional error or perversity, we are not inclined to intervene at this stage. However, if any other cause of action arises, we grant the prisoner liberty to approach this court in accordance with law.

7. With this liberty, we dispose of the petition and the Application.

8. This order be communicated to the prisoner in jail.
